NOFO RELEASE: HHA TIMELINE

THRESHOLD REQUIREMENTS

- Program participants are eligible for the program component type selected.
- The proposed activities are eligible and consistent with 24 CFR part 578.
- The project narrative is fully responsive to the question being asked and meets the criteria for that question as required by the NOFO and included in the detailed instructions provided by HUD.
- The data provided in all parts of the project application are consistent.

THRESHOLD REQUIREMENTS

- All required attachments correspond to the attachments list in e-snaps, contain accurate and complete information, and are dated between May 1, 2024 and September 28, 2024.
- Applicant has no outstanding HUD or Lead Agency monitoring findings. Response to any past findings was not overdue or unsatisfactory.
- No Federal or State agency has taken adverse action against the provider.
- Project complies with the requirements of the CoC interim rule (24 CFR part 578), *including requirements to accept referrals from the Coordinated Entry System for the project and to participate in HMIS.*
- Application was submitted in E-Snaps by 5pm September 30, 2024 AND a full hard copy was hand-delivered to HHA Administrative Offices, 906 Marwalt Dr., Fort Walton Beach

ACCESSING THE PROJECT APPLICATION IN E-SNAPS

A screenshot of the HUD Exchange website. The browser address bar shows 'hudexchange.info/programs/e-snaps/'. A red arrow points to the address bar. The page header includes 'HUD EXCHANGE' and navigation menus for 'Programs', 'Resources', 'Trainings', 'Program Support', 'Grantees', and 'News'. Below the header, there's a section for 'Homelessness Assistance' with sub-menus for 'Strategic Priorities', 'Programs', 'Systems', and 'Data'. The main content area features three images: a modern apartment building, a woman with two children, and a man working on a laptop. A red arrow points to the 'Log in to e-snaps' button, which is circled in white. Below the images, there's a description of 'e-snaps' as the electronic Continuum of Care (CoC) Program Application and Grants Management System. A 'Get Help with e-snaps' button is also visible.

Welcome to **e-snaps**! The application and grants management system for HUD's Continuum of Care (CoC) Program. This system supports the CoC Consolidated Application – CoC Application, CoC Priority Listing, and project applications for the CoC Program Competition. It also supports the Technical Submission process for project applications conditionally selected for award.

The **e-snaps** system is to be used by authorized persons only. If you are an authorized user, please log in by entering a valid user name and password. If you have any difficulty with this process, please contact the System Administrator. You may also use the Links on the left menu to navigate through the system, and access application forms and other related links. If you need assistance in navigating the system, please access the Help instructions in each section.

If you are not an authorized user and need access to **e-snaps** on behalf of your Continuum of Care as a Collaborative Applicant or project applicant, you may request a user name through the Registration process.

The information collection requirements contained in this application were submitted to the Office of Management and Budget (OMB) for review under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). This agency may not collect this information, and you are not required to complete this form, unless it displays a valid OMB control number with expiration date.

Information is submitted in accordance with the statutory and regulatory authority for the CoC Program. The information will be used to register CoCs, review and assess eligibility and quality threshold rate of applications, select and conditionally award CoC Program grants.

Selection of applications for funding under the Continuum of Care Program are based on rating factors established in the Notice of Funding Opportunity (NOFO), published annually to announce the Continuum of Care Program Competition. The information collected in the application form will only be collected in accordance with each year's Competition.

If you've forgotten your password, send a request to e-snaps@hud.gov and your password will be reset.

CoC Program Registration: OMB Approval No. 2506-0182 (exp. 11/30/2024)

Public reporting burden for this collection is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

CoC Program Application: OMB Approval No. 2506-0112 (exp. 12/31/2024)

Public reporting burden for this collection of information is estimated to average 190 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The reporting burden for Continuums of Care is estimated to average 204 hours and the reporting burden for applicants is expected to average 30 hours.

Technical Submission: OMB Approval No. 2506-0183 (10/31/2026)

Public reporting burden for the collection of information is estimated to average 10 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
