

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement and Reallocation.

- Consolidations and Expansions Forms – must be completed if the CoC is consolidating eligible renewal projects or applying for new projects to expand the operations of eligible renewal projects.

- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New, CoC Renewal, YHPD Renewal, YHDP Replacement and Reallocation Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.

- Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps. Additional training resources are available online on HUD's website

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2027 to create one or more new projects? Yes

Alert:

As stated in the FY 2026 CoC Program Competition NOFO:

- CoCs may reallocate YHDP projects from any Round to create new YHDP Replacement projects.
- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act.

2A. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC Renewal, DV Renewal or YHDP renewal project funds to create new project application(s) may do so by eliminating one or more expiring eligible projects.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

2A-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified.
(limit 2500 characters)

Catholic Charities independently reviewed the FY2026 HUD CoC priorities and determined that its existing Joint Transitional Housing/Rapid Rehousing (TH/RRH) project should be eliminated and its funding redirected to a new Rapid Rehousing (RRH) project focused exclusively on serving families with children.

The decision reflects the project applicant's determination that a dedicated RRH project for families with children would provide a more targeted response to an identified community need while aligning the use of CoC resources with current HUD priorities. The proposed project will provide housing assistance and supportive services to help eligible families experiencing homelessness quickly obtain and maintain permanent housing.

FL-505 supported the applicant's proposed reallocation through the CoC's established local competition and reallocation process. The reallocation will shift funding from the existing Joint TH/RRH project to the new family-focused RRH project without reducing the CoC's Annual Renewal Demand.

Catholic Charities was formally notified of the decision on August 6, 2026. The CoC retained documentation of the applicant's request, the reallocation decision, and notification as part of its FY2026 CoC competition records.

2A-3 Is the project being eliminated to create one or more transition grant applications? No

2B. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible CoC Renewal, DV Renewal and YHDP Renewal project funds to create new project applications may do so by reducing one or more expiring eligible renewal projects.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

Bridgeway reviewed current HUD CoC priorities, local housing and service needs, and the role of its existing Permanent Supportive Housing (PSH) project within FL-505. Based on this review, Bridgeway determined that the project should be reduced and a portion of funding redirected to a new Transitional Housing (TH) project. The reduction will preserve critical PSH capacity while expanding the continuum of housing and supportive services available to individuals experiencing homelessness. The proposed change was reviewed through FL-505's established local competition and reallocation process. Bridgeway was notified in writing of the reduction on August 6, 2026.

2B-3 Is the project applicant reallocating the grant, in part, to create one or more transition grants? No
